

BUILDING FEATURES

- St. Petersburg's newest residential tower, Art House is a strikingly modern, 42-story building located in the center of the city's vibrant bayfront downtown
- Designed by world-renowned SB Architects of San Francisco and Miami, with inspiring interiors by ID & Design International of Ft. Lauderdale, and landscape design by premier planning and design firm Kimley-Horn
- Full-height glass walls and spacious balconies provide abundant natural lighting throughout the building while residence and amenity levels showcase sweeping views of the surrounding cityscape, Tampa Bay, and downtown St. Petersburg's glittering skyline
- 28' covered arrival plaza with signature sculptural element creates an impressive arrival experience for residents and guests
- Contemporary 2-story Grand Lobby, with separate resident entrance, gallery and gathering space features, lounge seating, signature lighting, and artwork
- Secure, private parking garage for owners' vehicles, and access-controlled elevators
- Service elevator to all floors provides convenient and safe secondary access in the event of move-ins, or servicing of passenger elevators
- Emergency generator to support life safety systems in the event of a power outage
- Humidity-controlled storage rooms and secured bike storage
- Over 6,000 square feet of select ground floor retail or restaurant space
- Decorator-furnished guest suites, available for resident guest use.
